Applied Strategies in 2019

We have applied many strategies in 2019, i.e.

- Using contacting through Mobile (WhatsApp) phones
- Sent Call for papers for the eminent in the field
- Approaching the Editors suggested eminent
- Approaching potential reviewers for the Call for papers
- Maintaining the frequency of articles.

Conclusion

I wish to provide some perspective from the cycling research community of Archives of General Internal Medicine with regard to a recent Editorial note of our Journal. I solely

believe that the quality of the journal is based on the Eminence presence in the Editorial Board as well as Reviewer Board (potential reviewers) who strive to make the papers significantly productive and helpful for the scientific community.

Stay Safe & Healthy...!

Thank you!

With kind regards,
